**1** What happened?

I was playing with  
the blocks and  
I knocked down  
my friend's tower.

**2** How did it affect others?

My friend felt sad  
and mad. She started  
to cry.

**3** How can I fix it?

I said sorry.  
I will help her  
build a new tower.  
I will be careful  
with the blocks.

**4** What will I do next time?

I will play gently.  
I will ask before  
I touch things.  
I will be a good  
friend.
